

# Announcement Star Class Competition

The **Eislaufverein Dresden e.V.**

has the honor and the pleasure to announce that the

## **12. Olympic Day Dresden**

**from 14<sup>th</sup> to 16<sup>th</sup> of December 2007**

at the

Ice rink Dresden "Freiberger Area"  
Magdeburger Str. 10  
01067 Dresden  
GERMANY

in accordance with the regulations of the International Skating Union, the 'StarClass Rules and Regulations 2006/2007' and the conditions included in this announcement.

### **Registrations**

Registrations for the 'StarClass' category can be made by the club of the respective athlete, or by any other member of the International Skating Union. In all other categories, registrations can only be made by clubs affiliated to an I.S.U. member.

In the case of an unmanageable number of registrations, the organization committee and the coordination group is allowed to reduce the amount of permitted registrations. In this case the total number of skaters in all categories per club and/or the number of clubs will be limited. Principles like global representation, regional representation and first come, first serve will be applied.

### **Preliminary Registration Form**

- Number of athletes in each category
- Number of accompanying officials

must be submitted until [01th of november 2007](#)

### **Final Registration Form**

#### **The final registration confirming**

- names of the athletes
- Date of Birth of the athletes
- Best Times 500 m
- date and time of departure and arrival
- number of accompanying officials

must be submitted until [01th of december 2007](#)

By signing the registration forms the participating club assures the payment of all attendance fees for each athlete, coach and teamleader. Furthermore every athlete have to exhibit entire documentation of the time trial performances. All requirements of the ISU regulations have to be fulfilled. (See below.)

We hereby please all Teamleaders to inform the organization committee as soon as possible in the case of any changes of their departure dates.

## Attendance fees

For each registered and accredited person, e.g. every athlete and every coach/team leader, an attendance fee of 10 euro have to be paid to the organization committee.

## Conditions of contest

The qualifying schedule for each distance is based on the "all finals system" in each category. The "all final system" is used in order to guarantee a minimum number of races to all participants. The organization committee reserves the right to change the program due to unforeseen circumstances or reasons.

## Board and logging

The participating teams are responsible for their own subsistence and accommodation. For further information concerning reservations see the hotel informations below.

## Track

The track is an artificial refrigerated indoor ice surface with the measures of 30 by 60 meters, protected by padding covers on the boards. The standard lap has a distance of 111,12 meters with a curve radius of 8,50 meters. There will be 7 markers used to establish the curve. The length of the straight line is 28,85 m. The whole original track can be moved in two directions by adjusting the curve markers to preserve good ice conditions at every race. One finish line will be used for all races.
