StarClass preliminary entries for the 2nd Trentino Starclass in Baselga di Piné from October 5th to 7th are now due – final deadline: **September 5th**.

A typing error in the first edition of the qualifying time table has led to the revision of the qualifying times for Ladies Junior B and C; the correct times are those shown above. This table has now become an integral part of the Star Class Rules and Regulations and the revised edition is available on www.shortrackonline.info. On this site we recommend you make your preliminary entries by September 5th followed by final entries by September 30th.

Hotel bookings should be done directly through the organizing committee at info@icerinkpine.it before Thursday September 6th to allow sufficient planning time.
