

StarClass Newsletter

StarClass – 7 Countries, over 130 skaters and more than 300 races are the final numbers of the 2nd TRENTINO STARCLASS which took place in Baselga di Piné (Italy) last week-end; the first qualifying event for Junior B,C and D categories.

Very high level skaters gave life to some truly breathtaking races showing the importance of the StarClass project as a chance of growth and confrontation for these young athletes.

The starting line of the 1500m final Jun C men

The final overall classification has set the first milestone for many skaters of the path towards the Junior Europa Cup Final, in Spisska-Nova Ves.

The final results were:

French girls creating posters for their fans!

The friendly atmosphere contributed to a wide range of activities including the production of posters and an improvised dance in the heatbox during ice resurfacing!

The next competition for these categories in Mannheim; watch out for the announcement to be published soon on www.shorttrackonline.info.

StarClass, Seniors and Junior A, are already warming their engines for their competition in Champéry on October 20th-21st.
